# TGS WATERPOLO

## ✧ Waterpolo making a big splash ✧

*Waterpolo around NZ is becoming the fastest growing aquatic sport in NZ. Takapuna Grammar School is hoping that this gain in popularity will continue into individual and team performance. Takapuna Grammar School provides a fantastic opportunity for students to play waterpolo at the highest level competing in local, regional and national competitions.*

### NZ Reps

*Year 10 students Jake Benson and Katie McKenty as well as Year 11 student Carlo Burney played for the New Zealand U15 Waterpolo sides at the 2010 Pacific Pan Games in Auckland. Not only did they get to play against teams around NZ but also from countries around the world including Australia, United States and South Africa.*

### INFORMATION

TGS Waterpolo currently has two Junior Teams (year 9 and 10) and two Senior Teams (year 11-13). Juniors play all year round and compete in

regional and national tournaments.

The team has current Provincial reps and National reps. Senior students

compete in term 1 and 2, and again have provincial and

national reps. Training for juniors is all year round and training for seniors start in Term 4 until end of term 2.

### Contacts and website

*To check out the latest information on TGS Waterpolo check out the school website <http://www.takapuna.school.nz> Click Co-curricular>Sports>Waterpolo.*
